## Patents

Patents 1 - 10 on location of data (tag database). (0.06 seconds)

### Location system adapted for use in multipath environments

US Pat. 5119104 - Filed May 4, 1990

Once the TOA-DETECTION packets associated with a given **TAG** transmitter have been identified or assigned (82), the time-of-arrival **data** for that **TAG** ...

### Client-server system using embedded hypertext tags for application and database development ...

US Pat. 5835712 - Filed May 3, 1996 - Webmate Technologies, Inc.

The preferred system of the present invention defines a unique **database** structure to index **data** values for retrieval by the server. FIG. ...

### Distributed database using indexed into tags to tracks events according to type, update cache ...

US Pat. 5924096 - Filed Oct 15, 1997 - Novell, Inc.

Each **data** item 202 in the **database** 606 has associated with it an update reference or other **tag** 204. Each **tag** 204 may be implemented as an attribute of the ...

### Database access machine for factory automation network

US Pat. 4831582 - Filed Nov 7, 1986 - Allen-Bradley Company, Inc.

This message includes the **tag** name which is necessary for storing the information in the **database** 62. The message also effectively includes the **location** of ...

### Inventory system using articles with RFID tags

US Pat. 5963134 - Filed Jul 24, 1997 - Checkpoint Systems, Inc.

15 (6) It is often not feasible to **tag** certain articles, ... wherein the **database** includes storage area **location data** for the articles monitored by the ...

### Method and apparatus for locating and tracking documents and other objects

US Pat. 5936527 - Filed Feb 10, 1998 - E-Tag Systems, Inc.

10 15 25 40 A network of automatic **tag** systems, ie, a multiplicity of host ...  
The computer controlling the **database** also may store **data** indicating which ...

### Programmable shelf tag system

US Pat. 6269342 - Filed Mar 20, 1998 - Telxon Corporation

Shelf **tag database** 318 is accessed to determine the **tag** ID associated 50 with each ...  
... The **location data** may be stored at host computer 312 or downloaded to ...

### Efficient packet forwarding arrangement for routing packets in an internetwork

US Pat. 5917820 - Filed Jun 10, 1996 - Cisco Technology, Inc.

Instead, the **tag database** (TDB) 414 has a table look-up **data** structure and is ...  
... depends upon the size of the internetwork 300 as well the **location** of the ...

### Access system and method for providing interactive access to an information source through

US Pat. 5961603 - Filed Sep 22, 1997 - WorldGate Communications, Inc.  
Also, the headend **database** 28 will likely contain only the information on ID ...  
The second satellite 43 transmits this combined ID **tag data** stream to **tag**, ...

US Pat. 5732401 - Filed Mar 29, 1996 - Intellitecs International Ltd.  
7A, 7B, 7C, 7D and 7E are **data** structure diagrams Through a wireless communication indicated at 27, **tag location database**, patient history/**location database** ...

## Patents

Patents 1 - 10 on tag database locate image. (0.05 seconds)

### Image matching and retrieval by multi-access redundant hashing

US Pat. 5465353 - Filed Apr 1, 1994 - Ricoh Company, Ltd.

Storage system 100 includes a scanner 104, a document **database** 108, a feature extractor 110, a document **tag** manager 112, a hash generator 114 and a ...

### Method and apparatus for tracking client interaction with a network resource and creating client ...

US Pat. 5796952 - Filed Mar 21, 1997 - Dot Com Development, Inc.

... including an executable program, a **database** file, an pic. is a flowchart ...  
invention has limited <IMG> **tag** to specify the source URL for an **image**. ...

### Generation, archiving, and retrieval of digital images with evoked suggestion-set captions and ...

US Pat. 5493677 - Filed Jun 8, 1994 - Systems Research &amp; Applications Corporation

First, bibliographic information pertaining to location of an **image** is stored in a location **database** and processed so that precise locations are tagged with ...

### Internet organizer for accessing geographically and topically based information

US Pat. 5930474 - Filed Jan 31, 1996 - Z Land LLC

A label URL field 1765, a listing URL field 1770, and an **image** URL field 1775,  
... The button extended **tag** 2020 uses the three **database** fields 1930, 1940, ...

### Client-server system using embedded hypertext tags for application and **database** development ...

US Pat. 5835712 - Filed May 3, 1996 - Webmate Technologies, Inc.

#page Syntax: <#page **database** id/name id/field id> The #page **tag** extracts the data in the **database**, **database** id, record, name id, and field id. ...

### Protection of an electronically stored **image** in a first color space by the alteration of a ...

US Pat. 5617119 - Filed Jun 7, 1995 - Systems Research &amp; Applications Corporation

First, bibliographic information pertaining to location of an **image** is stored in a location **database** and processed so that precise locations are tagged with ...

### **Tag** method for moving information between computers & forms

US Pat. 5404294 - Filed Feb 26, 1990

... a) creating a first **database** containing tags wherein each **tag** is a record ...  
form **image** to **locate** the precise position of the blank field wherein a **tag** ...

### Integrated defect yield management and query system

US Pat. 6314379 - Filed Dec 4, 1997 - Taiwan Semiconductor Manufacturing Company, Ltd.

65 According to a query requirement, a user can poll the **database** ... Therefore, each item in the data fields must have a **tag** attached to serve as a ...

### Remote **image** capture with centralized processing and storage

US Pat. 5910988 - Filed Aug 27, 1997 - CSP Holdings, Inc.

In step 808, the DPC 600 extracts the **tag** header which includes the customer ...

For example, a user can retrieve all rows of a **database** table having a ...

Information presentation and management in an online trading environment

US Pat. 6058417 - Filed Oct 23, 1998 - eBay Inc.

For example, an inline **image tag** can be generated having the general form: <img

... Therefore, hiding the underlying queries to the thumb **database** 440 from ...

## Patents

Patents 1 - 10 on tag database asset location. (0.04 seconds)

### Method and apparatus for providing a personal locator, access control and **asset** tracking service ...

US Pat. 5363425 - Filed Jun 29, 1992 - Northern Telecom Limited

Alternately, the user can manually register his or her new **location** by ...  
of the **location** and identity of an **asset** associated with said **tag**; and **database** ...

### Personnel and **asset** tracking method and apparatus

US Pat. 6344794 - Filed Jan 7, 2000 - Hill-Rom, Inc.

... an awareness area **database**; a plurality of tags, each **tag** being associated  
... station maintaining a sub- awareness area **database** containing a **location** ...

### Tagging data assets

US Pat. 6704739 - Filed Jan 4, 1999 - Adobe Systems Incorporated

15 linking the **location** interface to a searchable **tag database** of concept data  
elements, **asset** references, and associations, the concept data elements each ...

### Working **asset** management system and method

US Pat. 5664113 - Filed Dec 10, 1993 - Motorola, Inc.

5 is an exemplary block diagram of **database** 94 in memory 72 may ... **asset** 26 from  
working **asset** list of tags 56 on working assets 26 and the **location** of ...

### Radio **location** system for precisely tracking objects by RF transceiver tags which randomly and ...

US Pat. 5920287 - Filed Jan 21, 1997 - Widata Corporation

Such a system is unsuitable for an **asset** management system, that requires current  
... of the queried **tag** relative to the **location** of the interrogator wand. ...

### **Asset** location system

US Pat. 7116230 - Filed Jul 14, 2004 - VeriChip Corporation

In such a situation, the cost of **asset tag** receiving **location** information from the  
... identification **tag** (RFID) on both objects and in searchable **database**. ...

### Personnel and **asset** tracking method and apparatus

US Pat. 6462656 - Filed Dec 29, 2000 - Hill-Rom Services, Inc.

The data flow from the **tag** transmission to the appropriate **database** updates at  
the central server 10 is as follows. A personnel badge 50 or **asset tag** 52 ...

### Method and apparatus for locating mobile tags

US Pat. 6456239 - Filed Aug 24, 2000 - RF Technologies, Inc.

The **asset location** system may use any of the smoothing and/or 16 filtering ...  
However, if a goal is to create a **database** of tagged **asset** movement, ...

### Radio geo-**location** system with advanced first received wavefront arrival determination

US Pat. 5995046 - Filed Jan 28, 1999 - Widata Corporation

The object position and parameter data are then downloaded to a **tag** data base where object information is maintained. Since the **asset** management **database** is ...

Method and system for communicating with identification tags

US Pat. 7165722 - Filed Mar 10, 2004 - Microsoft Corporation

9 10 temporal **asset** information (eg, **asset** geographic **location** tion on the Internet for ... **tag** **database** of the **asset** lookup service and assign a new guest ...

US Pat. 6058417 - Filed Oct 23, 1998 - eBay Inc.

For example, an inline **image tag** can be generated having the general form: `<img`

... space is required in the listing **database 420** for **image file** names. ...

### Apparatus and method for digital filing

US Pat. 6192165 - Filed Dec 30, 1997 - ImageTag, Inc.

By establishing an open **image file** storage system where -^ the **image indexes** ...

re-introduced to system 100 a the user's location, image index database 228 ...

## Secure identification system

US Pat. 5973731 - Filed May 30, 1995

As an alternative, the **image database** computer could serve as the gateway to the

... **location**, it would be advantageous to integrate the video **display** ...

## Image file equipment, and database creating method in an image file equipment

US Pat. 6609135 - Filed Jul 17, 2000 - Olympus Optical Co., Ltd.

Incidentally, the **image data 12** obtained with the **image file apparatus 1** is ...

In addition, the main screen 21 is provided with a search/display tag 27 and ...

### Method and apparatus for storing and retrieving generalized image data

US Pat. 5381526 - Filed Sep 11, 1992 - Eastman Kodak Company

A black and white image is tag the files in the existing photographic CD ...

tion **file** to add information that would indicate the the range **data image unit** ...

## Method and apparatus for displaying electronic image of a check

US Pat. 5,940,844 - Filed May 5, 1995 - The Chase Manhattan Bank, NA

4), the index **database** controller 510 (FIG. 5), the **image** storage ... that particular check comprising a **location** code 40 and a BLOB file name 41. ...

### Selectively enabled electronic tags

US Pat. 6008727 - Filed Sep 10, 1998 - Xerox Corporation

For example, a **database** format can be constructed in which each ... to a tag

conveyed personal identification number, **display** a graphical **image** on a ...

Methods and system for **data** acquisition in a multimedia real estate **database** ...

US Pat. 5794216 - Filed Jul 14, 1995

This information is compiled into a single **database** 5 screen **display**. format ...  
of the hot spot to provide an **image** of an interior view of the house. **data** ...

## Patents

Patents 11 - 20 on location of data (tag database). (0.08 seconds)

### Navigating network resources based on metadata

US Pat. 6151624 - Filed Feb 3, 1998 - RealNames Corporation

5 6 the **location** identifier, and in a name file in a storage device ing ...The metadata defined herein index; and updating the **database** when changes are ...

### System and method for transferring information relating to an implantable medical device to a ...

US Pat. 6250309 - Filed Jul 21, 1999

One can use XML to direct a markup language to, Remote **database** 326 can be located on the same system as in effect, define in-house **data** handling methods. ...

### Managing an inventory of devices

US Pat. 5434775 - Filed Nov 4, 1993 - The General Hospital Corporation

**Tag** address 38 (of **data** structure 36) and port ID 1.08 (FIG. ... **Data** management computer 82 (FIG. 1) maintains an activity **database** 160 (FIG. ...

### Computer aided map location system

US Pat. 5848373 - Filed Jul 18, 1997 - DeLorme Publishing Company

Each **data** record in the hotel **database** includes information on street address, zip code and phone numbers, all ordinary **location** indicators. ...

### Method and apparatus for analyzing software executed in embedded systems

US Pat. 5748878 - Filed Sep 11, 1995 - Applied Microsystems, Inc.

The probe tip 5 respective **tag** containing a **data** field having a "**tag** ... **tag** may indicate the size of the 64 is produced, a symbol **database** 65 is also ...

### Method and apparatus for analyzing software executed in embedded systems

US Pat. 6161200 - Filed Mar 2, 1998 - Applied Microsystems, Inc.

The method of claim 1 wherein the instrumentation 2Q by the probe and maintains a running account of the **data** includes the **tag** values. memory allocated by ...

### Method and apparatus for locating and tracking documents and other objects

US Pat. 6127928 - Filed Jul 26, 1999 - E-Tag Systems, Inc.

After processing the received **data**, PC 2 can then determine whether **tag** 20 has ... a **database** is maintained containing identification codes and other **data** ...

### Radio location system for precisely tracking objects by RF transceiver tags which randomly and ...

US Pat. 5920287 - Filed Jan 21, 1997 - Widata Corporation

The object position and parameter **data** are then downloaded to a **tag data** base where object information is maintained. Since the asset management **database** is ...

### Container and inventory monitoring methods and systems
